

## ***A GOOD NEWS FOR CDCIANS***

We are happy to announce that we have received four 491 State Nominated visa grants today and it is something to celebrate. Because not only the recent process entrants who are still at a very early stage of the process , even the candidates who have successfully gone through all the cumbersome processing stages and reached to the ultimate safe zone of “VISA LODGED “ mode too were extremely worried about the unpredictable happenings and the constant changes in the immigration regulations impacted by the COVID Pandemic.

This news will surely heal the tensed mind-sets of all of them and let them to breathe well and feel relaxed.

**WE WISH THEM ALL THE VERY BEST AND A BRIGHT  
FUTURE AHEAD!!!!!!**
