VETASSESS Skills Assessment for Migration

Due to the coronavirus (COVID-19) outbreak, VETASSESS is now conducting **Technical Interview assessments online** for all **non-licensed trade occupations or Pathway 2 licensed occupations**.

These will be online until further notice, so the applicant **does not have to travel to a VETASSESS-approved venue**.

While we are still taking applications, delays may be experienced due to the constraints within the current environment.

Please contact us on tradeassess@vetassess.com.au if you need further information.

VETASSESS is now assessing these three trade occupations too for migration:

- Fitter and Turner (ANZSCO Code: 323212)
- Fitter-Welder (ANZSCO Code: 323213)
- Toolmaker (ANZSCO Code: 323412)
