**MIGRATION UPDATE FOR SKILLED AND BUSINESS VISAS**

The Department of Home Affairs has advised State and Territory Government's they would not be receiving nomination allocations for skilled visa subclasses 491 and 190 on 1 July 2020. As a result most States and Territories have announced that their skilled migration programs will remain closed until further notice.

Due to the COVID-19, the date for Federal Budget 2020-2021 has been delayed by the Federal Government – it will be handed down in Parliament on 6 October 2020.

We will update you with the most updated immigration news and stay with us.
